

Following our announcement yesterday that we are launching Breweroo, we have listened to your emails, calls and comments and have updated our menu to better suit what you need during this time. The delivery menu now has some smaller and more practical items, available at a cheaper price.

In case you missed yesterday's announcement, in light of the COVID-19 pandemic and Government advice to socially distance, we are doing what we can to support the local community.

From today, we will be running a food delivery service, bringing warm home-cooked meals to those who are self-isolating, socially distancing and those 'at risk' who have been advised to stay home. If you are in this position, or if you have family members, friends or neighbours in this position, we want to help you.

While we are still operating normal opening hours at the pub, lunchtime deliveries will be made between 1pm and 2pm and dinner between 6pm and 7pm. These will be extended when, and if, the Government advises us to fully close.

To place an order, please call 01234 711 393. Lunchtime orders should be made before 10am on the day of delivery and orders for dinner should be made by 2pm. There will be no delivery charge within Olney - please contact us for information about deliveries to surrounding villages.

Card payments can be made over the phone, or we can take cash on delivery. All deliveries can be made with no-contact on request (we can leave the delivery outside and ring the doorbell to let you know it's there, and cash can be left in an envelope outside)

For the new menu, please see below. Wishing everyone and their families a safe few weeks, as we navigate this difficult time.
